

WCC Practice II

Directions: Chose ONE (1) of the following to write a well developed FIVE (5) paragraph essay.

1. Change is a part of life, but we don't always welcome it when it comes. Describe a situation when change wasn't welcome in your life (or in the life of someone you know) explain the result of the change for your life (or for someone you know). Support your answer with specific knowledge and details from your life.
2. If you could change one thing about your hometown, what would you change? Support your answer with specific knowledge and details from your life.
3. It always strikes me as a terrible shame to see young people spending so much of their time staring at television. If we unplugged all the television sets, our children would grow up to be healthier, better educated and more independent human beings. Do you agree or disagree with this statement? Support your answer with specific knowledge and details from your life.
